

We have you covered every step of the way.

About HSBC Life

HSBC Life is the insurance arm of HSBC Group – one of the world's largest banking and financial services organisations. Our offerings include a wide range of insurance solutions that cater to protection, legacy planning, and wealth accumulation needs.

Life is rarely a straight line, filled with precious moments and unexpected events. Let HSBC Life support you through every twist and turn so you can confidently define your own journey.

Our solutions

Life and critical illness

Protect yourself and your family against the unexpected.

Savings and investments

Manage your finances with ease and confidence.

Legacy planning

Create a strong foundation that will last for generations.

Employee health and benefits

Take care of your employees' needs with our health, accident, and medical coverage plans.

Health

Safeguard yourself and your family's health with hospitalisation and medical coverage in Singapore and beyond.
