KEY FEATURES OF THE ILP SUB-FUND

WHAT ARE YOU INVESTING IN?

The ILP Sub-Fund invests 100% into BlackRock Global Funds – World Gold Fund (the "Fund"). BlackRock Global Funds is an open-ended investment company incorporated in Luxembourg and its home regulator is the Commission de Surveillance du Secteur Financier (CSSF).

The investment objective of the Fund is to maximize total returns.

Refer to Section 2, Section 5 and Section 16 of the Fund Summary for further information on features of the ILP Sub-Fund.

¹The ILP Sub-Fund is not classified as Excluded Investment Product.

There will be no distribution of dividends by the Fund.	
Investment Strategy	
<ul style="list-style-type: none"> The Fund invests globally at least 70% of its total assets in the equity securities of companies whose predominant economic activity is gold-mining. It may also invest in the equity securities of companies whose predominant economic activity is other precious metal or mineral and base metal or mineral mining. The Fund does not hold physical gold or metal. The Fund may invest directly up to 20% of its total assets in the PRC by investing via the Shanghai-Hong Kong Stock Connect and the Shenzhen-Hong Kong Stock Connect. The Fund's exposure to contingent convertible bonds is limited to 5% of its total assets. The Fund may use derivatives for investment purposes and for the purposes of efficient portfolio management. 	Refer to Section 5 of the Fund Summary for the further information on the investment focus and approach of the ILP Sub-Fund.
Parties Involved	
WHO ARE YOU INVESTING WITH?	
<ul style="list-style-type: none"> The Management Company is BlackRock (Luxembourg) S.A. The Investment Advisers are BlackRock Investment Management (UK) Limited. The Depositary is The Bank of New York Mellon SA/NV, Luxembourg Branch. 	Refer to Section 3 of the Fund Summary for further information on the roles and responsibilities of these entities and what happens if they become insolvent.
KEY RISKS	
WHAT ARE THE KEY RISKS OF THIS INVESTMENT?	
The price of Shares of the Fund and any income from them may fall as well as rise. These risk factors may cause you to lose some or all of your investment.	Refer to Section 7.1 of the Fund Summary for further information on risks of the ILP Sub-Fund.
Market and Credit Risks	
<p>The Fund may be subject to Currency Risks Foreign currency exchange rate movements are likely to influence the returns to investors in Singapore, hence investors may be exposed to exchange rate risks. For Hedged Share Classes, while the Fund attempts to hedge currency risks, there can be no guarantee that it will be successful in doing so.</p> <p>The Fund may be subject to Emerging Market Risks The Fund may invest in one or more emerging markets (including certain Asian countries) and may be subject to a higher than average volatility than investing in more developed markets due to greater political, tax, economic, social, foreign exchange, custodial, liquidity, regulatory or other risks.</p> <p>The Fund may be subject to Foreign Investment Restrictions Risks Some countries prohibit or restrict investment, or the repatriation of income, capital or the proceeds from sale of securities. The Fund may incur higher costs investing in these countries. Such restrictions may delay the investment or repatriation of capital of the Fund.</p> <p>The Fund may be subject to Limited Market Sectors Risks The Fund's investments are concentrated in the gold and precious metals sector, which may include investments in commodities-linked exchange traded funds. This may subject the Fund to greater volatility and more rapid cyclical changes than more broad-based investments.</p> <p>The Fund may be subject to Equity Risks The values of equities fluctuate daily and can be influenced by many factors including issuer-specific factors and broader economic and political developments.</p>	Refer to Section 7.2 of the Fund Summary for further information on market risk of the Underlying Sub-Fund.
Liquidity Risks	

Redemptions may be suspended in certain circumstances detailed in the Fund's Prospectus.

Refer to Section 7.1 of the Fund Summary for information on liquidity risks of the ILP Sub-Fund and Section 9 of the Fund Summary for further information on Suspension of Dealings of the ILP Sub-Fund.

Product-Specific Risks

The Fund may be subject to Derivatives Risks

The use of derivatives may expose the Fund to a higher degree of risk. Derivative contracts can be highly volatile and a relatively small market movement may have a potentially larger impact on derivatives than on standard bonds or equities. Leveraged derivative positions can hence increase the Fund's volatility. The Fund may sustain loss as a result of the failure of a derivatives counterparty to comply with the terms of the derivatives contract.

Refer to Section 7.2 of the Fund Summary for further information on specific risks of the Underlying Sub-Fund.

The Fund may be subject to Smaller Capitalisation Companies Risks

The Fund may invest in small cap companies. Such investments may have higher than average volatility and liquidity risks.

The Fund may be subject to risks of Commodities accessed via ETFs

An ETF tracking a commodities index can be highly concentrated on selected commodity futures, which may subject the Fund to higher volatility.

HOW CAN YOU EXIT FROM THIS INVESTMENT AND WHAT ARE THE RISKS AND COSTS IN DOING SO?

You can exit or partially exit the ILP Sub-Fund at any time by informing HSBC Life (Singapore) Pte. Ltd. ("HSBC Life"), either directly or through your Financial

Consultant from whom you purchased the ILP Sub-Fund. If your application reaches our correspondence address before 3.30pm on a business day, it will be processed on the same business day. If your application is received after 3:30pm, it will be processed on the next business day. The units withdrawn will be realised at the unit price of the ILP Sub-Fund on the valuation date immediately following the date we accept your written application. The withdrawal proceeds will usually be paid out within 6 business days from the day we process your valid application to exit or partially exit the ILP Sub-Fund.

The following is an illustration of the withdrawal amount** that you will receive from the ILP Sub-Fund based on withdrawal of 1,000 units, and unit price of \$1.50 assuming the policy is surrendered in the first year with surrender penalty charge of 70% on the account value.

$$(1,000 \times \$1.50) - 70\% (1,000 \times \$1.50) = \$450$$

Gross withdrawal amount - surrender penalty charge = Net withdrawal amount

** You should also refer to the Product Summary for information on any surrender penalty that may be applicable.

If you decide to terminate the Investment-Linked Policy within the free-look period of receiving your Investment-Linked Policy, the Company will refund the initial premium you paid without interest, without incurring the fees and charges as stated above, less any medical and/or underwriting expenses incurred in accepting your application; and a sum to account for market fluctuation in respect of your units as determined by the Company. Please note that no top-up, fund switching, partial withdrawal or surrender is allowed during the free-look period.
