⁵The benchmark was changed from MSCI China Index to MSCI China 10/40 Capped Net Index on 2 February 2009 to take into account the Fund's investment constraints. With effect from 1 March 2011, the benchmark of the ILP Sub - Fund will be changed from MSCI China 10/40 Capped Net Index to MSCI TR China Gross. With effect from 2 April 2013, the benchmark of the ILP Sub-Fund will be changed from MSCI TR China Gross to the MSCI TR China Net in order to provide a fairer comparison between the performance of the ILP Sub-Fund, which is reported net of expenses (including tax), and the performance of the benchmark, which is reported net of tax. The new benchmark should not be used to compare against the performance of the ILP Sub-Fund prior to the change.

Note: The performance figures are calculated in Singapore Dollars using bid-to-bid prices, with any income or dividends reinvested. Fees and charges payable through deduction of premium or cancellation of units are excluded from this calculation. Investor should note that there is no guarantee on the capital and returns. The actual returns depend on the actual performance of the underlying investments. The past performance of the ILP Sub-Fund is not necessarily indicative of the future or likely performance of the ILP Sub-Fund.
