How do you keep a promise that lasts generations?

Introducing HSBC Life Sapphire Prestige Income. It is a single premium whole of life plan that provides you with regular income for up to age 120, over many generations. Helping you grow your wealth and build your legacy. So you can have peace of mind, no matter what the future brings. With a simple application process with no medical examination required, and immediate access to policy cash value, option to change the life insured, and a policy maturity benefit.

Here's how it works. Pay an upfront single premium. From the 5th year on, you're qualified to receive regular income every month. On top of that, when your policy turns 21, you're entitled to receive higher payout with a step-up income. The policy also covers you in the case of misfortune. In the event of termination of policy due to unforeseen circumstances, a payout will be given to your loved ones.

That's not all. The 3 times change of life insured lets you pass on the policy seamlessly from generation to generation. So that you can secure a stable stream of income for your loved ones. And if the policy matures, the nominee will receive the lump sum payout.

So you can rest assured, knowing you have secured your family's financial future with wealth that sustains itself. It's more than just a policy, it's a promise that lasts and a legacy that your future generations will thank you for. Speak to your relationship manager today to learn how you can keep a promise that lasts generations with HSBC Life Sapphire Prestige Income.
