1. BEFORE YOU PROCEED

Please take note of the following before you proceed:

- a. **Request for Policy Loan**
 - i. You can only request up to a maximum of 90% of the surrender value of your policy. This is to protect your policy because once the policy loan, together with accrued interests, exceed the surrender value; your policy will automatically terminate.
 - ii. We charge an annual interest rate on the loan from the effective date of the loan. The current interest rate is 6.75% per annum and compounded on each policy anniversary. You may repay all or part of the loan plus interest at any time. A failure to pay the interest before the next policy anniversary date will result in the adding of unpaid interest to the total amount of the outstanding loan.
 - iii. We reserve the right to vary the interest rate at any time. Should there be a change in interest rate, we will inform you of the new interest rate one month before the effective date.
 - iv. We also reserve the right to deduct any outstanding loan and interest from any policy benefits including maturity or claims payable under the policy.
- b. **Request for Dividend and Reversionary Bonus (RB) Withdrawal** – You can use your Dividend or RB to pay for your premium, or withdraw it for your own use. However, please note that such withdrawal would reduce your policy values.
